

# PRIME DIAGNOSTICS LTD

Patient  
Centred,  
Clinically Led,  
Diagnostic  
Solutions

Prime Diagnostics Ltd delivers cost effective diagnostics solutions to GPs and Secondary Care Providers. Utilising cutting edge contemporary equipment and modern techniques, we currently deliver Upper GI Endoscopies, Colonoscopies and Flexible Sigmoidoscopies. With a proven track record of success and currently working with 6 PCTs and 3 Acute Trusts, we offer a high quality community service that is based upon the following values;

- ✓ **SAFETY** – Always ensuring best practice
- ✓ **PATIENT CENTRED** – Utilising a range of locations to ensure convenience
- ✓ **EQUITABILITY** – Providing consistent service provision
- ✓ **EFFICIENCY** – Streamlining pathways to provide services at 75% of tariff
- ✓ **TIMELY SERVICE PROVISION** – Supporting the delivery of 18 weeks
- ✓ **EFFECTIVE DELIVERY** – Delivering evidence-based, appropriate procedures

Our patient-centred services, based upon cost efficiency and quality of delivery, ensures that Prime Diagnostic Ltd delivers an exceptional level of patient and commissioner satisfaction.

Make contact with us today to discuss how we can support the delivery of timely, effective endoscopy services to your community.
